this is the fourth edition of nyerere and africa end of an era it is also the largest and includes new material not found in previous editions the work is a comprehensive study of the political career of president julius nyerere spanning half a century the author takes a critical look at nyerere s policies and influence in the domestic and international arenas for an objective evaluation of the life and times of one of the most influential leaders in the twentieth century the major role he played in the liberation of southern africa is just one of the subjects addressed by the author he also provides insights into nyerere s personality from some of the people who knew him best included in the book are interviews with some of the people who knew nyerere since his childhood some of them were his teachers and they outlived him others were his schoolmates and colleagues in government and when he was a teacher and some of them were his students also included are interviews with some of his family members this is an essential study of post colonial africa it is also a study in political leadership and cold war politics in the african context among many other subjects addressed in the book which should serve as a reference text for scholars and laymen alike interested in africa and the third world in general

ernest mandel 1923 1995 was one of the most prominent anti stalinist marxist intellectuals of his time a political theorist and economist his worldview was shaped by experiences in the second world war as an underground political activist in occupied belgium and during his subsequent internment in a nazi prison camp mandel s faith in human nature and in the working classes survived nazi oppression and the murder of much of his family in the concentration camps he retained his connection to his jewish roots throughout his life but believed that security and liberation for the jewish people was best achieved through world revolution and universal emancipation rather than nationalism a brilliant orator in several languages mandel was an indefatigable revolutionary militant and a key leader in the fourth international and he had an enormous impact on the thought and practice of the 1968 generation his writings range from innovative economic and political theory to a study of the second world war and have been published in over forty languages his last major work late capitalism had an influence that reached from the social sciences into the humanities biographer jan willem stutje the first writer with access to mandel s archives has interviewed many of the leading figures in the story and unearthed a wealth of new material detailing mandel s arrest by the nazis and his role in latin american guerrilla warfare he recounts mandel s interactions with both scholars sartre ernst bloch perry anderson and comrades in arms such as che guevara rudi dutschke and tariq ali the book also yields fascinating details of the man s sometimes tragic private life

zaire apparently strong and stable under president mobutu in the early 1970s was bankrupt and discredited by the end of that decade beset by hyperinflation and mass corruption the populace forced into abject poverty why and how in a new african state strategically located in central africa and rich in mineral resources did this happen how did the zairian state become a parasitic predator upon its own people

outbursts of regional conflict within national boundaries have characterized recent years sub national states including parts of the soviet union india canada and yugoslavia dissatisfied with their central governments seek forms of independence to pursue autonomous development paths these region state conflicts have occurred in nations at all levels of development canada and indonesia france and papua new guinea under diverse economic systems the ussr and canada yugoslavia and spain and across political systems federations such as india and unitary states such as italy bookman s study develops methods whereby both state and region can evaluate the region s potential to sustain economic growth autonomously filling the gap in current perceptions of inter regional relations bookman introduces the concept of discontinuous development to facilitate the analysis of sub national regions that have varying levels of development the volume s emphasis on high income regions within both agricultural and industrial nations and on the economic basis of conflict makes it a unique contribution that assesses the viability of regions as autonomous entities the major part of the volume studies empirical evidence from india and yugoslavia especially timely in light of present ethnic and religious conflicts in both countries the volume is divided into three sections foundations discontinuous development and inter regional conflict and empirical evidence from india and yugoslavia the first section presents a theoretical framework for issues internal to regions as well as regions relative to the nation it also outlines four ways of studying inter regional conflict which are explored in the empirical chapters part 2 analyzes eight high income regions characterized by discontinuous development and relates their experiences to the four hypotheses presented earlier the last section contains empirical chapters testing the model in the context of india and yugoslavia the final chapter contains a full discussion of the hypotheses pertaining to secession and offers some suggestions concerning the possibilities of secession as the outcome of inter regional conflict the explosive consequences of recent trends make it imperative that scholars in development economics political economy political science and macroeconomics as well as policy makers comprehend the inter regional economic and political relationships behind these conflicts

this is the first comprehensive and comparative survey of resistance to national socialism and fascism in europe the handbook presents the foundations forms and conflicts of resistance relates it to post war developments in europe and analyses its reception after 1945 it is structured geographically dealing with resistance first within the axis powers then in the occupied territories and finally with resistance from emigration and exile the accounts are complemented with maps and important documents relating to the resistance movements
